

## BIBLIOGRAPHY OF GEODESY AND GEOPHYSICS IN KOREA(XXV)

This is the bibliographical compilation of papers in the fields of geodesy and geophysics published in the Republic of Korea during July 1996 to June 1997. Materials were mainly collected from the following publications.

*Journal of the Korean Society of Geodesy, Photogrammetry, and Cartography(JKSGPC)*

*Journal of the Geological Society of Korea(JGSK)*

*Journal of the Korean Astronomical Society(JKAS)*

*Journal of the Korean Meteorological Society(JKMS)*

*Journal of the Korean Association of Hydrological Sciences(JKAHS)*

*Journal of the Oceanological Society of Korea(JOSK)*
