The first sentence in the second paragraph of INTRODUCTION, “The first discovery of a galaxy beyond  $z=5$  was reported by Weymann et al. (1998); HDF 4-470.3 at  $z=5.60$ .” should be read as “The first discovery of a galaxy beyond  $z=5$  was reported by Dey et al. (1998); 0140+326 RD1 at  $z=5.34$ ”.

The authors sincerely regret this error.
