Journal: Journal of Advanced Research in Ocean Engineering

Bibliometrics: Vol. 1 No. 1, March 2015, pages 63-72

DOI: 10.5574/JAROE.2015.1.1.063

It was found that the following paper published in 2015, is very similar to Journal of the Korean Society of Marine Engineering Vol. 38 No. 9 (November, 2014) the same authors and the author requested the withdrawal the papers. Thus, Journal of Advanced Research in Ocean Engineering announces to retract of the manuscript published in Vol.1, No.1, 2015.
