

RETRACTED: Novel Flicker Migration and EMI Noise Reduction Circuit for AC Direct LED Lightings [JEET, Vol. 12, No. 2, March 2017]

Youngsuk Suh[†], Minjae Kim* and Chang-hoi Ahn**

Abstract – This article has been retracted at the request of the authors and/or the Editor in Chief. Reason: After the paper published, the authors have found that the intellectual property for this paper was a company's own. As a result, the authors have elected to withdraw the complete article with apologies to the scientific community.
